Re: cc Docket No. 02-6 "Request for Review"

Per our phone conversation on September 13, 2011, I have researched the appeal sent to your office on March 16, 2004, by Margene Dahlstedt, then Director of Finance for Kearney Public Schools. Enclosed please find the requested information regarding where switches were installed as reviewed by the USAC.

Sincerely,

Gary Needham, Director of Technology
